Fred: Yumi winim problem ia finis, Lewani!
Lewani: Ol pikinini oli stap sakem ol doti long tin doti ia naoia!

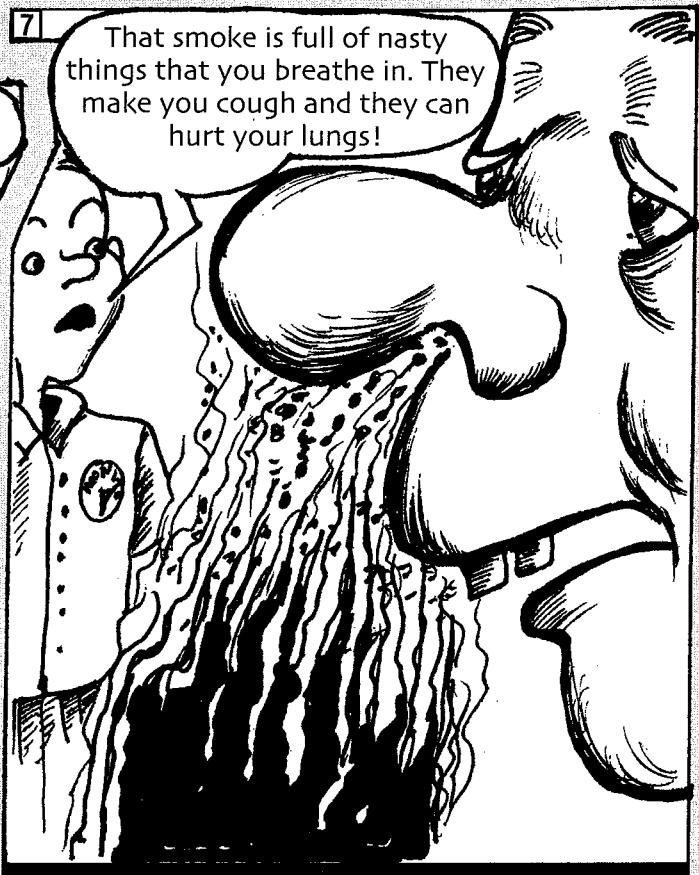

Fred: Kas! Wanem ia?
Lewani: Sam man oli stap bonem doti!
Fred: Ale! Yumi go!

Lewani: Stop! Stop!

Boe Yu krangke?! Mi stap bonem ol doti ia!
Lewani: Yu mas neva bonem wil blong kamiong o plastik!

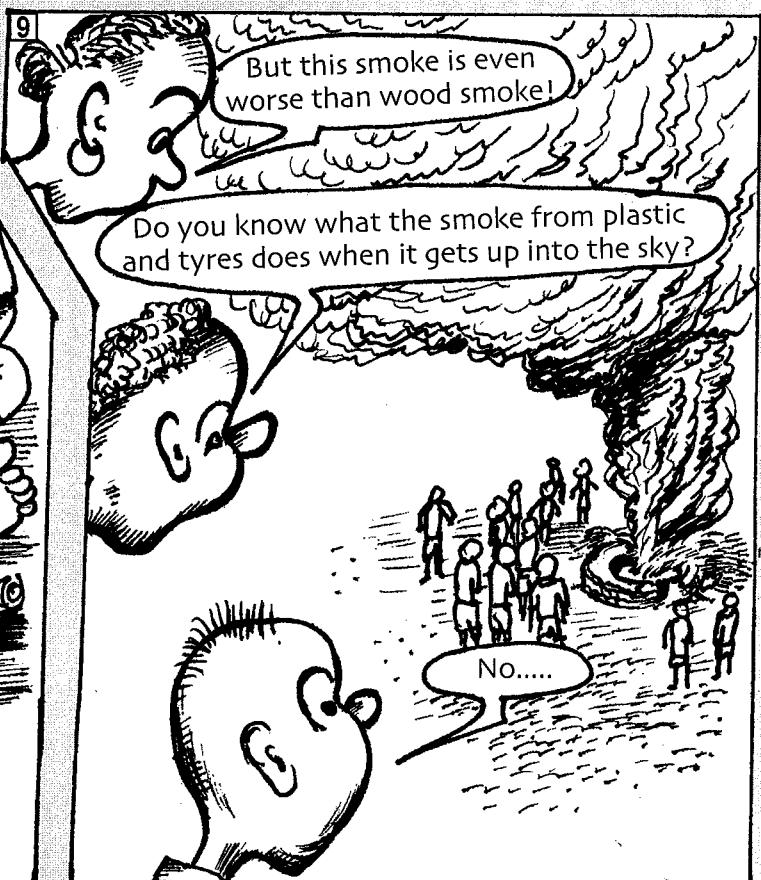

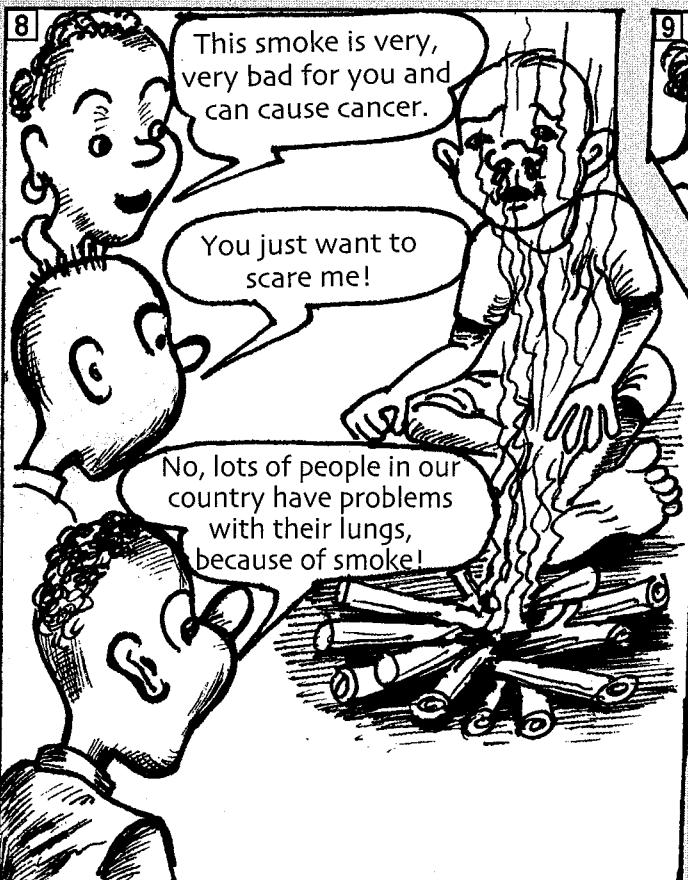

Boe: Yutufala yu no save talem long mi wanem blong mekem!

Fred: Smok blong faea ia i stink we!

Lewani: Smok ia i no gud we!
Yu save wanem i stap long smok ia?

Lewani: Smok ia bae i spolem nogud lang blong yu!

Lewani: Sapos we yu smellem i save mekem se yu kof tumas. I save mekem se yu kasem kansa tu!

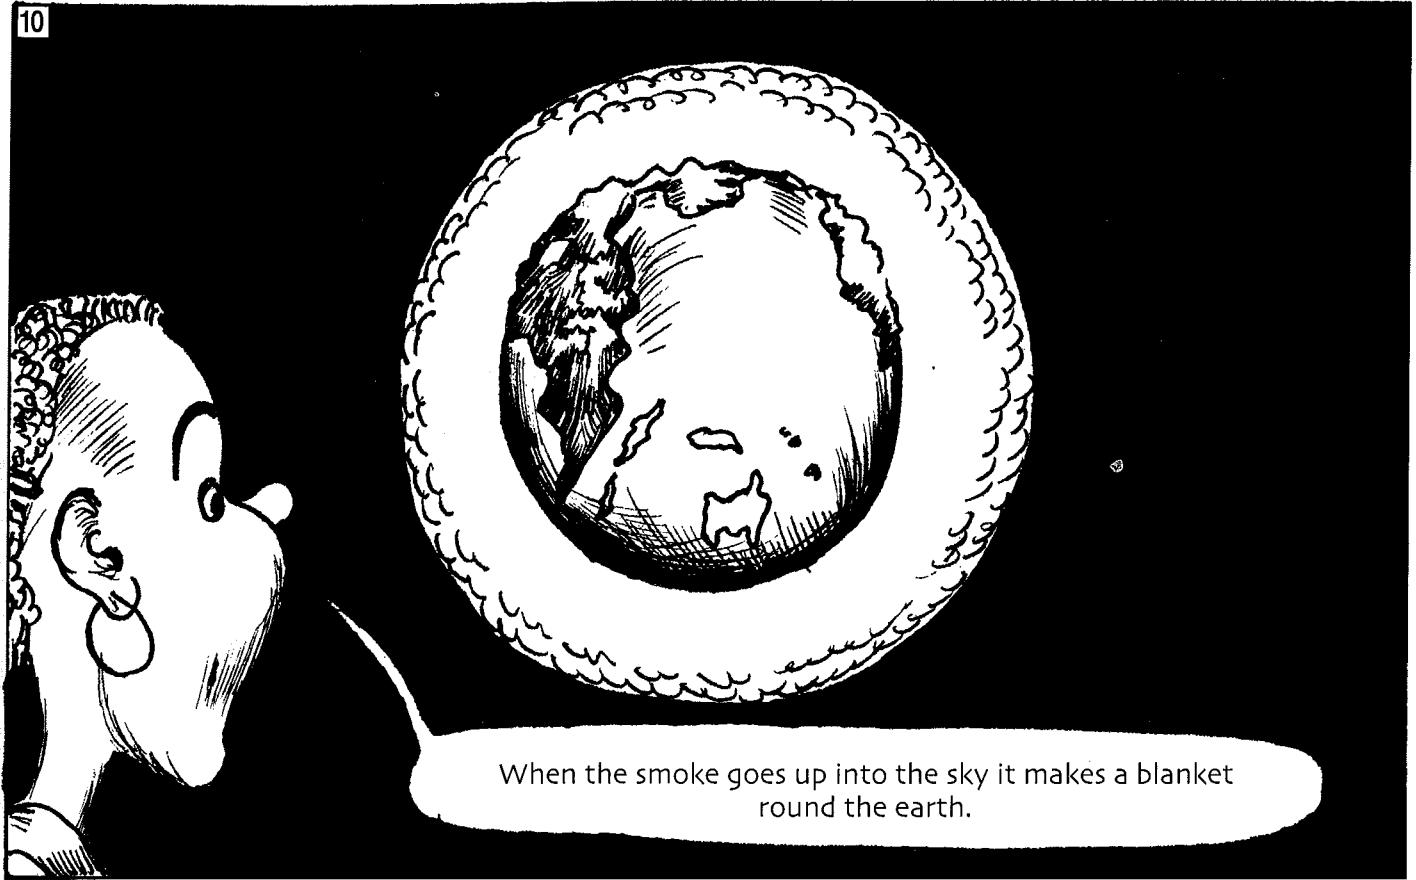

Boe: Giaman! Yu wantem mekem mi mi fraet nomo!

Fred: Plante pikinini long kaontri ya oli stap sik from smok blong faea!

Lewani: Be smok blong wil blong kamiong i mo wos bitim smok blong wud!

Fred: Yu save wanem bakegen ol nogud smok ia i stap mekem?

Boe: No....

When the smoke goes up into the sky it makes a blanket round the earth.

Lewani: Taem we smok ia i kasem antap long skae hem i stap kam olsem wan blangket blong skae ia.

The heat of the sun can't escape now!
And slowly the world gets warmer!

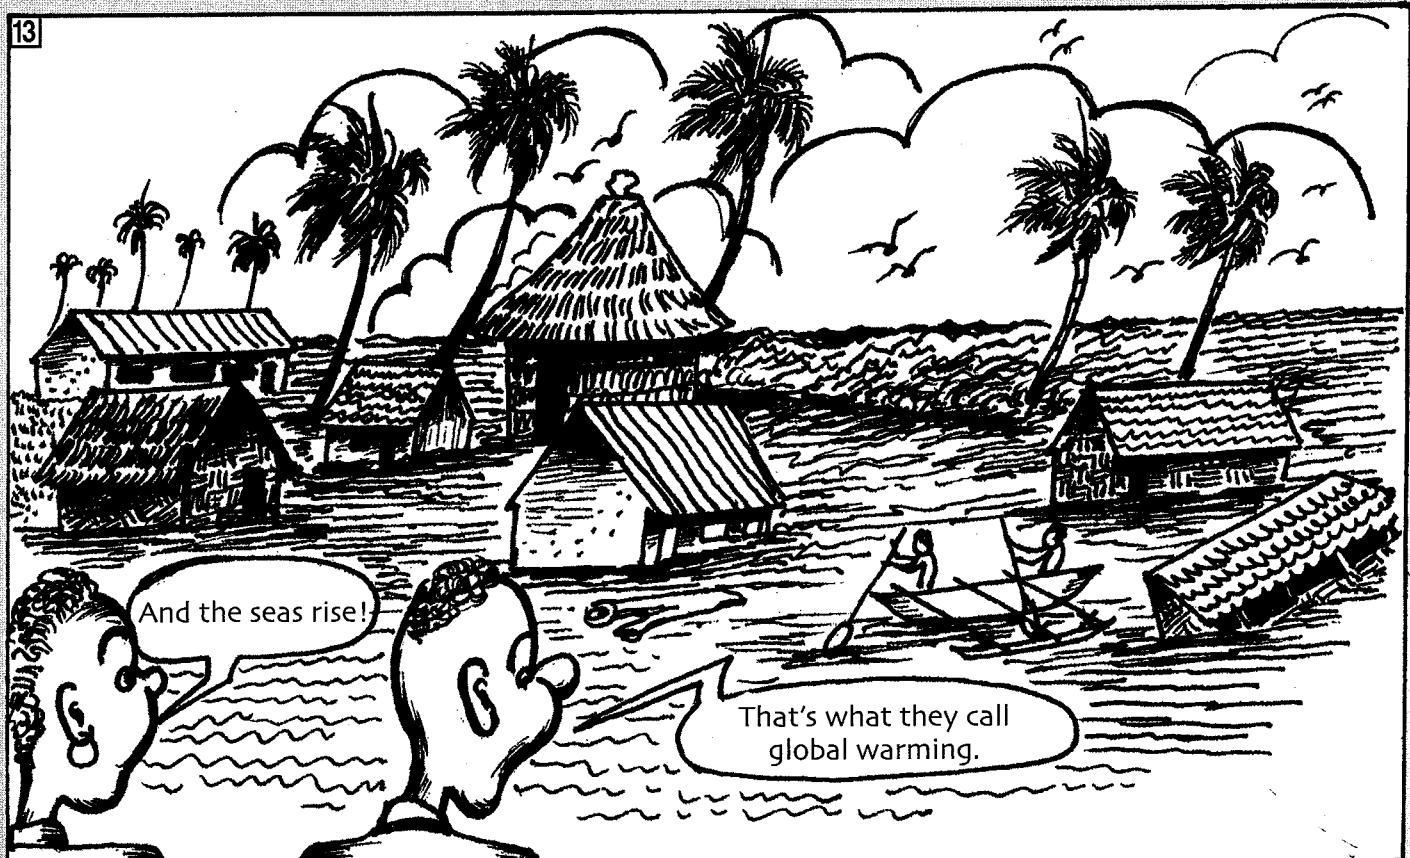

Lewani: Hit blong san i no save aot, mekem se wol i stap kam mo hot from samting ia nao!

12

Bear: Kas! Ples i hot tumas! Aes i stap ron!

13

Lewani: Mo solwota i stap kam antap!

Fred: Oli singaotem samting ia 'global warming'.

14

Burning a tyre helps to heat up the world?
I didn't know. But what do we do
with all this rubbish?

Boe: Yu minim se, taem we mi mi bonem wil blong kamiong, mi stap mekem wol ia i kam hot tumas? Ohh no! Be bae mi mekem wanem wetem ol doti ia?

15

Well, we don't need to
burn this garden waste!

Lewani: Yumi no mas bonem ol doti blong garen!

Fred: Hem i ol gud gudfala samting! I save go bak long graon mo mekem graon i kam gud moa!

16

The tree
sucks all the
goodness
from the
ground.
And takes it
all up into the
leaves!

Fred: Ol bigfala wud ia, oli tekem ol gudfala samting aot long graon.

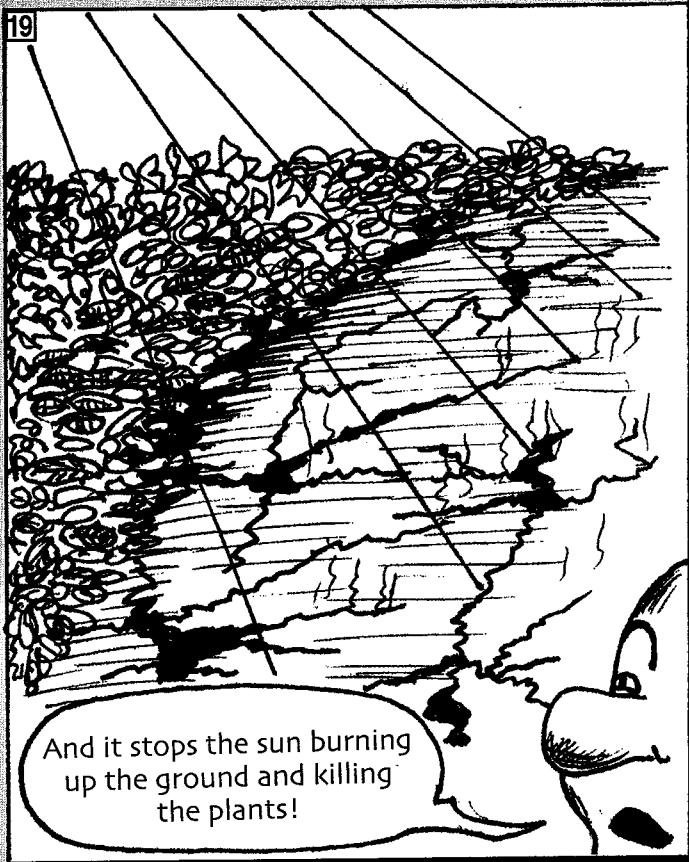

Lewani: Ol gudfala samting ia i stap go long ol lif blong bigfala wud ia nao!

17

The leaves
fall back onto the
ground and go back
into the soil.

Fred: Ol lif oli faldoan long graon bakegen,
mo ol gudfala samting i go bak long
graon bakegen.

Lewani: Ol lif ia tu oli stap holem taet wota long
graon, mo oli mekem se i warm lelbet tu.

Wom: Mifala ol wom, mifala i glad tumas long
ol lif ya!

Fred: Ol lif ia tu, oli stap blokem bigfala san
blong no bonem ol smol wud mo graon
ia tu!

Boe: Bae mi nomo bonem ol samting ia?
Fred: Bae ol samting ia i save roten i no longtaem.
Bae i kam olsem graon bakegen.
Lewani: Bae yumi karem i go long kompos longwe.

Now you know what happens
when you burn plastics.

Don't burn that tyre!

And put your vegetable rubbish
back into the ground!

Fred: Yu save nao wanem bae i hapan taem we yu stap bonem plastik o wil blong kamiong.

Lewani: Yu no mas bonem ol wil!

Boe: Putum ol doti blong garen i go bak long graon nomo!
