

Wanem blong Mekem long Banana long
Taem blong Sik mo Disease?

1. Fasem wan plastic bag raon long frut blong banana blong blokem ol pipet oli no kaikai
2. Katem aot ol stampa blong banana we oli kasem disease. Yu mas traem blong stopem sik ia I kasem ol narafala banana blong yu.
3. Planem ol narafala crops wetem banana, blong mekem se ol pipet blong banana bae oli fas long nara crop blong oli no kasem eni narafala karen.
4. Taem rus blong banana I kasem ol smol smol wom, digim yang sut blong banana mo leggo I drae smol taem long air blong kilim bifo yu planem long narafala ples
5. Usum samfala kastom wei blong kilim ol pipet we I stap spoilem banana blong yu (olsem pima wota, kastom rope blong banana bitel o sam narafala kaen kaen wei).

Wanem ia ADAPTATION long Climate Change?

Yumi ol man Vanuatu yumi kat powa blong yumi save adapt long Climate Change.

Adaptation I minim se yumi evriwan i mas traem sam niufala wei blong wok wetem weta we yumi stap experience naoia long Vanuatu.

Blong yumi winim Climate Change, bae yumi no mas fraet blong yumi mekem samfala jenj long laef blong yumi, mo blong planem gud fiuja blong ol haoshol mo komuniti blong yumi.

Sapos yu wantem save moa abaat Climate Change mo agrikalja, yu save kontaktem Dipatmen blong Agrikalja, Dipatmen blong Meteo o ringim SPC-GTZ Climate Change Vanuatu.

Mifala I wantem helpem evriwan long Vanuatu blong oli aware long Climate Change mo hao blong dil wetem.

Wanem ia Climate Change?

Climate Change hemi minim se weta we yumi, mo ol bubu blong yumi, I bin experienem bifo, bae I stap change long fiuja.

Climate Change hemi kos bae yumi ol man taem yumi stap putum ap ol grin haos gas (polusen) I ko antap long sky. Po-lusen ia I kam aot taem yumi katem mo bonem bus, bonem ol rabis blong yumi, ron long trak o usum generata.

Climate Change I stap happen finis long yumi long Vanuatu mo raon long wol. Long Vanuatu bae I save minim bigfala ren, bigfala san, drae taem, flad taem, saeklon, moa mosquito, moa disis mo sickness mo si level rise (we solwota I kam antap). Taem weta I jenj bae I save afektem bigwan ol crops blong yumi mo Agriculture long Vanuatu.

Be yumi no mas fraet, olsem we Climate Change hemi kos by yumi ol man, yumi tu ol man yumi save dil wetem.

Blong winim Climate Change yumi mas jenjem smol smol ol wei blong yumi stap life: olsem wei blong mekem Karen, we blong mekem haos, mo wei blong yumi akt.

Hemia nao mining blong adaptesen long Climate Change!!

Banana mo Climate Change

Climate Change I save spoilem banana blong yumi. Bigfala san I save bonem ol lif, mekem se kaikai I no gud. Bigfala ren I save mekem se kaikai I stink o ol pipey oli kam plante. Sam-taem banana I luk redi be kaikai I no gud nomo. Ol saeklon oli save brokbrokem lif banana mo spoilem kaikai blong hem.

Wanem blong Mekem long Banana long Taem blong Bigfala San (El Nino)?

1. Taem ples I drae tumas, bae banana I save benem stampa blong hem. Olsem usum wan hud blong stikim holem banana mo stampa I stap antap.
2. Mulching hemi taem yu putum ol wid mo gras we yu pulumaot taem yu klinim garen. Yu no mas bonem ol gras ia be putum nomo raon long stampa blong banana blong protektem kaikai long san mo ren. Bambae yu luk se graon hemi kolkol mo wetwet nomo andanit long mulching.
3. Planem ol forestry tri raon long karen banana blong givim sed long strong san. Yu save planem ol kaen tri olsem gliricidia we Agriculture I stap givimaot. Ol tri ia bae oli givim sed be sem taem tu bae oli save fidim graon bakegen mo holem taet wota I stap long garen.
4. Planem ol strong kaen banana olsem Vietnam Banana we I save laef long strong san.
5. Karem aot ol yang sut blong mama banana be livim tufala 2 nomo I stap blong givim Janis blong mama I save mekem gud frut.

Wanem blong Mekem long Banana long Taem blong Bigfala Ren? (La Nina)

1. Planem ol difdifren kaen banana we oli gud long ren taem (olsem Vietnam Banana)
2. Mixim banana karen wetem ol kaen crops we oli save drink plante wota (olsem wota taro mo popo) blong kipim graon I no wetwet tumas
3. Digim ol drainage (rod blong wota) blong ren I no save stap fulap long karen.
4. Usum contour farming, blong blokem ol erosion mo flad we I stap kam daon long hill we I save spoilem banana.
5. Muvumaot banana karen banana ko long wan ples we bae I no save flad long hem (long slope o long drae ples)
6. Usum ol hud blong holem ap banana long taem blong strong storm o bigfala ren.
